NEW ALBANY DEANERY GRADE SCHOOL STUDENTS TOUR BIRTHPLACE

On September 24, 2026, seventy 7th graders from two New Albany Deanery schools enjoyed a mid-morning visit to the Cardinal Ritter Birthplace. Before their arrival, Father Steve introduced them to the Cardinal's legacy at the nearby Knights of Columbus.

While one member of the CRB Foundation, Inc. board of directors gave a most impressive

overview of the parlor, birth room and exterior while, another in the Cardinal's attire personalized the experience and held their attention with an inspired delivery. The students were enthralled!

The K of C "Cardinal Ritter Council 1221" annually sponsors "Cardinal Ritter Day" at their Main Street location, just seven blocks from the CR Birthplace. Students enjoy various activities related to the Cardinal and his legacy. Lessons learned by these young "tourists" will be remembered for years to come.

Please help us spread the good news of Cardinal Ritter's life and legacy.
